WORK & LEADERSHIP EXPERIENCE

Amundi **Paris, France**
ESG Analyst January 2026 – July 2026

- Engaged with financial institutions (banks, re/insurers) and sovereign entities to advance ESG practices across Net-Zero commitments, SBTi alignment, PCAF methodology, climate risk assessments, biodiversity, coal phase-out, taxonomy compliance, and governance frameworks.Conducted monthly ESG macroeconomic analysis of sovereigns and agencies to support fund manager decision-making during General Investment Committees.
- Analyzed and reported on controversies, climate strategies, and sectoral trends across banking and insurance industries (coal policy analyses, climate policies, financing goals, emission measurements, ESG benchmarks).
- Conducted ESG macroeconomic analyses of sovereigns and agencies to support fund manager decision-making.

Analysys Mason **Lund, Sweden**
Intern Associate Consultant – Technology, Media and Telecommunications July 2024 – December 2024

- Worked on Transaction Advisory Services (TAS) projects within the Technology, Media and Telecommunications (TMT) sector, including full-scale commercial due diligence for an infrastructure investor, supporting all phases from the kick-off meeting to the final deliverable.
- Supported various Due Diligence and sustainability proposal work as well as pitch presentations to save managers' time and increase deal throughput.
- Contributed to ESG knowledge initiatives by co-authoring an academic publication on sustainable FoodTech, compiling a practitioner guide on nature-based solutions by establishing a clear literature review with consideration of EU taxonomy, and supporting a bioeconomy study visit both in Finland and Denmark for secondary students.
- Developed a database of telecom authorities to aid in a marketing campaign for Analysys Mason's M&A and consulting services.

NOISE emlyon & Deloitte Foundation **Lyon & Remote**
Junior Consultant – Jeannina, Bonvan March 2024 – July 2024

- Advised 2 green startups in the energy and wedding sectors by conducting sustainable growth strategies, regulatory compliance, and market analyses, resulting in strategic go-to-market recommendations.
- Led an SEO audit and implemented optimization strategies that improved website visibility and customer acquisition potential.
- Structured deliverables under the guidance of a Deloitte mentor to ensure high-impact consulting presentations.
