WORK & LEADERSHIP EXPERIENCE

Amundi **Paris, France**
ESG Analyst January 2026 – July 2026

- Engaged with financial institutions (banks, (re)insurers) and sovereign entities to advance ESG practices across Net-Zero commitments, SBTi alignment, PCAF methodologies, climate risk assessments, biodiversity, coal phase-out, taxonomy compliance, and governance frameworks.
- Analyzed climate strategies, sectoral trends, and controversies across banking and insurance sectors covering coal policies, climate policies, green financing targets, emission measurements, and ESG benchmarks for clients.
- Conducted monthly ESG macroeconomic analysis (Governance, Natural hazards, and Economics pillar) of sovereigns and agencies to support fund manager decision-making during General Investment Committees.
- Used agentic AI to streamline quarterly controversy updates and monthly sovereign ESG analyses.

NOISE emlyon **Lyon, France**
General Secretary September 2023 – December 2025

- Co-led strategy for a 72 member ESG student association (recruitment, communication, management) with the rest of the board to promote ESG and Social and Solidarity Economy knowledge and awareness.
- Organized 2 conferences with (50+ participants) on microfinance and sustainability consulting; audited 5+ events against national sustainability standards (Ecofest, Ecollab) with guiding action plans to improve their ESG score.

Junior Consultant, Deloitte Foundation March 2024 – July 2024

- Advised 2 green startups (green energy, wedding) on sustainable growth strategies, regulatory compliance, market analysis, delivering SEO audits, and go-to-market recommendations under a Deloitte mentor.

Analysys Mason **Lund, Sweden**
Intern Associate Consultant – Technology, Media and Telecommunications (TMT) July 2024 – December 2024

- Worked on TMT Transaction Advisory Services projects, including full-scale commercial due diligence for an infrastructure investor, supporting all phases from the kick-off meeting to the final deliverable.
- Supported various Due Diligence and sustainability proposal work as well as pitch presentations to gain major insights on deal advisory processes, save managers' time and increase deal throughput.
- Contributed to ESG knowledge initiatives by co-authoring an academic publication on sustainable FoodTech, compiling a practitioner guide on nature-based solutions by establishing a clear literature review with consideration of EU taxonomy, and supporting a bioeconomy study visit both in Finland and Denmark for secondary students.
- Built a database of telecom authorities for the firms' M&A and consulting marketing campaign.
